

2022 CLVS Stewart Whitman New Investigator Award Application Announcement

December 19, 2022

Dear Colleagues,

Following agreement to support this award in 2022 by the Canadian Lipoprotein Conference and Canadian Society for Atherosclerosis, Thrombosis and Vascular Biology, a competition for this award will be held. The award is aimed at young investigators in the first 5 years of their academic appointment or who hold an offer of an independent position by the application deadline. For 2022 the award is valued at \$10,000.00.

Application details and an application form can be found at <https://clvsummit.ca/> or <https://www.csatvb.ca/>

Application Deadline: January 31, 2023, 5 pm Pacific Time

Applications should be sent to Gordon Francis at gordon.francis@hli.ubc.ca

The awardee will be announced in February 2023.
