**2025 CLVS Stewart Whitman New Investigator Award  
Application Announcement**

January 30, 2025

Dear Colleagues,

Following agreement to support this award in 2025 by the Canadian Lipoprotein Conference and Canadian Society for Atherosclerosis, Thrombosis and Vascular Biology, a competition for this award will be held. The award is aimed at young investigators in the first 5 years of their academic appointment or who hold an offer of an independent position by the application deadline. For 2025 the award is valued at \$10,000.00.

Application details and an application form can be found at <https://clvsummit.ca/> or <https://www.csatvb.ca/>

Application Deadline: April 30, 2025, 5 pm Eastern Time

Applications should be sent to Changting Xiao at [changting.xiao@usask.ca](mailto:changting.xiao@usask.ca)

The awardee will be announced in Spring 2025 and will be expected to give a seminar at the 2025 CLVS meeting to be held at Saskatoon, Saskatchewan, September 25-28, 2025.
